1. Executive Summary & Compliance Disclaimer

This report documents the findings of a formal accessibility audit of the **Isharat Web Accessibility Widget & Sign Language Translator (v2.4)**. The evaluation assessed conformance against all applicable WCAG 2.2 Level A and Level AA success criteria, as well as Saudi DGA Web Accessibility Controls.

The audit concludes that the Isharat Widget **substantially conforms** to WCAG 2.2 Level AA. All six defects identified during the audit cycle (DEF-001 through DEF-006) have been remediated and verified as closed.

Official Compliance Disclaimer:

"Isharat provides intelligent tools that remediate common web accessibility barriers. Compliance with WCAG 2.2, Saudi DGA, or other accessibility standards depends on the underlying website design and structure; enabling Isharat provides powerful remediation tools but does not independently certify compliance on its own."
